If you would like to comment on any aspect of the practice in general, or your treatment in particular, please feel free to do so on one of these forms and place in the 'Comments' box to the right of the reception desk.

You may prefer to take a form home with you to complete and post it back to us, or to return it at a later visit.

Comments can be made anonymously and do not have to include the name of your dentist, although it may be helpful if you do so.

We are always looking at how we might be able to improve our practice and value the opinion of our patients.
